

**WORKINGTON AMATEUR SWIMMING CLUB CONSENT FORM
Photography and Use of Images**

Dear Parent or Guardian

During the course of the time your child is a member of Workington Amateur Swimming Club there may be opportunities to publicise some of the activities that your child is involved with our swimming club, this may involve filming or photographing children for use in local media. As a club we welcome these opportunities and hope that, as parents, you do too. There may also be occasions when we will arrange photography for club purposes i.e. notice board displays and club flyers and the club website etc. *Please note that websites can be viewed throughout the world and not just in the UK where UK Law applies.*

Photography or filming will only occur with the permission of the Team Manager and under the strict supervision of a poolside helper. Where filming or photography is carried out by the news media, swimmers will only be named when there is good reason i.e. prize winning; home addresses will never be disclosed.

Whilst positive publicity benefits the club, your child will not be involved without your consent. Images of your child held by the club which are subject to the Data Protection Act 1988 can be viewed upon request.
