COVID-19, Social Distancing and items out of our control

This competition is being planned on the assumption that some social distancing rules may remain in place for “high risk” indoor activities, such as swimming competitions.

If there are no restrictions in place, the number of swimmers that can be accepted will be adjusted accordingly.

Because of the uncertainty about the level of restrictions that will be in place at the end of Sept, there is a possibility that this event may not proceed as planned, and the event may be cancelled or changed at short notice.

****Therefore, we recommend that nobody commits to non-refundable travel or accommodation arrangements****

The club will not be held responsible for any costs incurred due to the event being cancelled.

Entries to the meet will be held on computer and consent, as required by the Data Protection Act 2018, to the holding of personal information on computer will be deemed to have been given by the submission of an entry.
